

WHY SHOULD YOU OUTSOURCE YOUR ACCOUNTING AND BOOKKEEPING?

Do you want to build houses or do you want to manage an office?

Outsourcing saves you - time - money - and headaches!

BENEFITS OF OUTSOURCING YOUR BOOKKEEPING: COST SAVINGS!

- Reduce overhead expenses.
- Reduce employee expenses.
- Stop hassling with payroll, reporting and taxes!
- Pay only for time spent working your account.
- Use one of our "Floating Offices" to conduct work.
- Our processes are proven and make your life simpler.

BENEFITS OF OUTSOURCING YOUR BOOKKEEPING: TIME IS MONEY

- We'll get you organized!
- Do you have time to train employees? Why bother, let us manage your work!
- Bookkeepers lack construction experience? Not ours!
- Your time is valuable! Spend it focusing on building your business - not data entry!
- You're in control! Get real-time reports when you need them, how you need them!
- Have your bills sent directly to us.
- Small business consulting available to assist in job cost management, vendor relations and overall construction management.
